To Whom it may concern

As a member of the local business community in Markham, it is with great confidence that I recommend Lumesmart Inc. as a trustworthy supplier.

Lumesmart Inc. provided us the LED lights for our offices and warehouse which enhanced our workplace lighting and reduced our energy bill. We have also benefitted from Government rebate on LED lighting that was pressed by Lumesmart as a registered contractor and supplier.

Lumesmart CEO, Shohreh Sabaghpour proves that it is the people behind a brand that make it a success.

I highly recommended Lumesmart for your lighting and green technology needs.
